## CASE RECORDS OF THE MASSACHUSETTS GENERAL HOSPITAL

## 1949

---

**The date of publication of any case may be determined from the case number. The first two figures of each case number indicate the volume number, 35. The third and fourth figures give the number of the week, dating from January 1. The last figure gives the case number for the week. For example, Case 35251 is the first case for the twenty-fifth week of Volume 35.**
